Symposia/Conference Attendance	0.5 CLP per hour, max 4 CLPs per day, 20 CLPs yearly limit
Publications	10-40 CLPs

Note: All activities may earn points only in the year accomplished, awarded or published. It is expected that supervisors will use the Guidelines and their own professional judgement in arriving at points to be awarded for any activity undertaken to meet the standards. While supervisors have the authority to establish points for activities, any concerns of employees or disputes may be addressed through applicable dispute resolution procedures.

Industry Keynote Speakers:

Topic	CLP Recommended
Fletcher Previn: CEO IBM—Confirmed Live	.5 CLP Recommended
Scott Price: UPS Chief transformation and User Experience—Live	.5 CLP Recommended
Adam Wilson: CEO Tri-facta—Live	.5 CLP Recommended

Government Keynote Speakers:

Topic	CLP Recommended
Mr Arthur (AG) Hatcher, SAF/CN	.5 CLP Recommended
Lt Gen Timothy Haugh, 16th AF/CC	.5 CLP Recommended
Gen Arnold Bunch, AFMC/CC	.5 CLP Recommended
Lt Gen O'Brien, AF A2/6	.5 CLP Recommended
MG Kim Crider, US Space Force	.5 CLP Recommended
Lt. Gen. Christopher P. Weggeman, Deputy Cmdr, ACC	.5 CLP Recommended

Monday Breakout Sessions

Topic	CLP Recommended
Data Acumen Panel	.25 CLP Recommended
The Digital Value Chain: Seven Competencies of AI Ready Organizations	.25 CLP Recommended
R.A.G.E. Against The Machine Intelligence: Human Intervention Required	.25 CLP Recommended
Air Force VAULT Data Platform Demonstration	.25 CLP Recommended
AI in the Air Force – A Fireside Chat with Author Mike Kanaan	.25 CLP Recommended
Federal Data Strategy Action Plan and DAF I-Plan Update	.25 CLP Recommended
Update from the Department of the Air Force MIT AI Accelerator	.25 CLP Recommended
Multi-Domain Federated Identity Service: The Zero Trust Foundation	.25 CLP Recommended
CF Summit	.25 CLP Recommended
Data and the Future of Defense: Achieving Joint All-Domain C2	.25 CLP Recommended
Leveraging AI and ML for Multi-Domain Joint Expeditionary Air Base Ops	.25 CLP Recommended
Delivering Warfighter Communications	.25 CLP Recommended
ABMS All Domain Common Environment	.25 CLP Recommended

Tuesday Breakout Sessions

Topic	CLP Recommended
Enforcing a Zero Trust Architecture for DoD Systems	.25 CLP Recommended
Integrated Semantic Framework (OWL-RDF) for Multi-Domain Intel & C2	.25 CLP Recommended
Accelerating Air Force Hybrid Cyber Operations	.25 CLP Recommended
Cyber Attacks during COVID-19 Pandemic; Organization: Cyber College	.25 CLP Recommended
Section 31	.25 CLP Recommended
A Compliance Transformational Approach	.25 CLP Recommended
5G in the Air Force	.25 CLP Recommended
Topic: Demo Days - What to and not to do help transform your culture	.25 CLP Recommended
Secure Mobile Pipelines	.25 CLP Recommended
Mobile: How BESPIN enabled the WARLOC application for disconnected ops	.25 CLP Recommended
Solve the Right Problems with Product Thinking	.25 CLP Recommended

The Montgomery Tech Accelerator - Digital Services Startups	.25 CLP Recommended
Power behind enterprise collaboration tools, P1 roadmap, & Mattermost	.25 CLP Recommended
Enabling the digital Airmen and growth of TRON	.25 CLP Recommended
AI Enabled Warfighter	.25 CLP Recommended
17C CFM Brief	.25 CLP Recommended
CITO Technology Innovations	.25 CLP Recommended
Democratizing RPA & AI for Every Airman	.25 CLP Recommended

Wednesday Breakout Sessions

Topic	CLP Recommended
Be Agile, Don't Do Agile	.25 CLP Recommended
To make agile software, you must have agile contracting	.25 CLP Recommended
Enterprise Services Hardware Branch Program Offerings/Updates	.25 CLP Recommended
Air Force's Bring Your Own Approved Device Program	.25 CLP Recommended
Combating Cyber Espionage with Agility vs Bureaucracy	.25 CLP Recommended
Mission Partner Engagement Cell (MPEC)	.25 CLP Recommended
KR: Tackling Data Problems: UCD as a practice, defining MVP	.25 CLP Recommended
"Everything you learned in school is wrong"	.25 CLP Recommended
Drudonna: Training up the next generation of AF mobile developers	.25 CLP Recommended
Digital Campaign: Transitioning to a Modern Ecosystem	.25 CLP Recommended

Thursday Breakout Sessions

Topic	CLP Recommended
Readiness, Ops, & Lethality Enabled by IT (ROLE-IT): an Air Force UX Story	.25 CLP Recommended
Defending Space and Cyberspace	.25 CLP Recommended
To Agile and the Cloud - ILS-S Case Study	.25 CLP Recommended
Identity is a security boundary; Hybrid Cloud Identity	.25 CLP Recommended
Gamechanger – How ML and Deception technology amps Endpoint Detection & Response	.25 CLP Recommended
Reduce Threats by Improving Network and System Configuration Management	.25 CLP Recommended
Improving Cyber Operations through Event Driven Intelligent Visualization	.25 CLP Recommended
UX Transformation Update	.25 CLP Recommended
Title not provided - Organization: Cyberspace Capabilities Center	.25 CLP Recommended
Open Source Software and Security Controls	.25 CLP Recommended
Senior Leader Perspective	.25 CLP Recommended
MAJCOM A6 Expeditionary Comm Panel	.25 CLP Recommended
Communications and Information Career Field Civilian Workforce Townhall	.25 CLP Recommended
Accelerate Multi-Domain Access with Zero Trust Cloud Identity	.25 CLP Recommended

Cloud Planning, Provisioning and Migration	.25 CLP Recommended
Secure Edge Processing: Compressing the ATO Cycle and Innovating at the Speed of Relevance	.25 CLP Recommended
